SERVING Van Buren & beyond

Why advertise with us? In a profit oriented world, you know that to get ahead, advertising is necessary. You advertise to tell people about your goods and services. Local paper advertising is certainly not the only way to deliver your message but many times it is the best way and the most affordable. How else you gonna tell people about your open house, grand opening, a big sale on your bumper crop or a classified ad to sell that treadmill that is collecting dust and Happy Birthday to you know who? We know that young people be like, "Who needs a paper? I can just go to a website and find what I am looking for." Yes, that is true for the most part, but many things you'll only find in a local paper. At the Reminder we like to mix things up a bit with articles of interest, like school newsletters and sports pages, local events like the Apple Festival, Harborfest, and other activities. These newsworthy events are sponsored by the community and appreciated by all.

Who reads the Reminder? Everybody. Check it out and you will find how effective advertising can be. Some ads in the Reminder may only be applicable for a week or two, but like your Facebook feed, it just scrolls away until the next issue rolls around. Every week is a new adventure with some repeat ads. Yes, the Reminder includes the same old, same old. We try to keep up with facelifts for our clients, but keeping it the same is also a good thing because your logo is your branding and getting it in your face is the purpose of the advertising.

But what about the internet? The Reminder's website is available to download the weekly paper or search the archives. There you will find information about our prices, school newsletters and seasonal or local happenings.

So, give us a shout and our designers will give you something to be happy about!

Where are the papers going? Glad you asked. 14,000 plus and if you add the internet exposure it is endless. Reference the map area below of Van
