## ATTENTION REMINDER READERS

LOOK!

We want you to be aware of an MLive publication which is being delivered in our area in green plastic bags. Unfortunately, these bags are used by the Reminder as well and has been causing confusion. We have received several complaints about newspapers being dropped on the ground. In our attempt to alleviate the problem at the site, we then realized it's the MLive paper. Please be patient as we will be changing the color of our delivery bags to avoid any further confusion.
