# Help Ignite our Annual 4th Fireworks Spectacular Campaign!

Dear Friends,

The 4th of July is a time for family, friends, and community. It's a time to celebrate our country's independence and all that it stands for. It's a time to enjoy a spectacular fireworks display and live band with friends and family.

However, the fireworks display doesn't happen without your help. The cost of putting on a safe and enjoyable fireworks show is significant. It takes months of planning and coordination, and it requires the expertise of professional pyrotechnicians.

That's why we're asking for your help. We need your donations to make this year's fireworks display the best one yet.

Your donation will help us cover the cost of the fireworks, as well as the

cost of the live band and stage, and other expenses. It will also help us to continue to offer this free event to the community.

Every donation, no matter how small, is appreciated. And every donation will make a difference.

So please, donate today and help and make the 4th of July a truly memorable event for our community.

Thank you for your support!

Sincerely,

The 4th of July Fireworks Committee

### BLOOMINGDALE ELEMENTARY

#### Doughnuts with Grownups

We were able to celebrate all of the most important grownups in our students' lives with doughnuts! We thank all the grownups in our students' lives for all the support they give our school each and every day. Our students also love it when they are able to bring some of their favorite people to school to show them around. It was great to see over 100 people show up for some breakfast!

#### Basketball Game

After several years of not being able to play the famous student and parents vs fourth and fifth graders basketball game, it finally returned this year! All the students came to watch and cheer on their favorite teams. The PTO provided the students cheer sections with cow bells and poms poms to get the players pumped to score! It wasn't even a close game with the home team taking the win with a score of 100 to 28! Huge thank you to all of our community members that participated in making some amazing memories for our students!

#### PTO Picnic

Our PTO picnic was one for the books! Every year the PTO puts on an amazing end of the year celebration for all of our students' hard work. This year they brought in a foam machine to have a foam party. All of the students had an amazing time dancing and playing in the foam. They were also able to cool down with some snow cones and popcorn. The PTO also provided a Tye-dye kit area to create shirts for students to wear on the last day of school and get signatures from their favorite teachers and classmates. Thank you again to our amazing PTO for putting on such a fun day for our students!

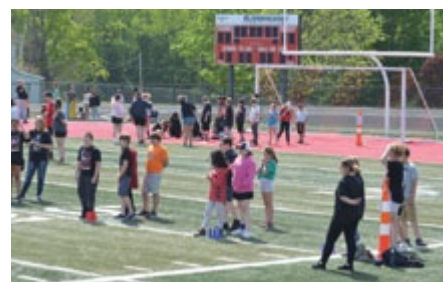

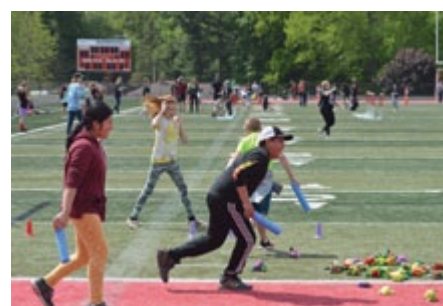

#### Student Council

Our student council was able to celebrate all of the hard work they put in and went to a Growlers game! Throughout the year, they provided treats to our students as well as our staff. It is a huge reminder of how fortunate we are to have such an amazing group of students who help make school a better place! They are a hard working group of kids who have worked really hard and deserved a day of fun! Thank you Student Council of 22-23 school year!

#### Fun Day

The fourth and fifth grade students from Bloomingdale and Pullman came together for a day of fun! Students traveled up to the middle and high school track to participate in different activities based on their track and field unit. It was a fun day for both buildings to come together and compete with each other as well as start making friendship bonds for when they move "Up the Hill".

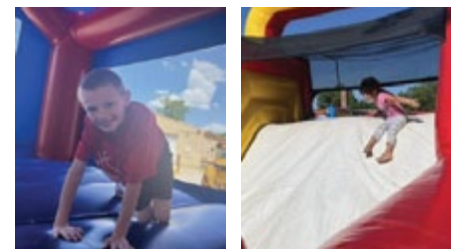

### PULLMAN ELEMENTARY

#### Fun Day

June 1 was a beautiful sunny day that made for such a fun way to end the school year at Pullman Elementary. We hosted our annual Fun Day and Water Party and Family Fun Night. During the school day, students had fun with inflatables and playing on a giant slip-and-slide while being sprayed by a fire truck. We also had various lawn games, bubbles, sidewalk chalk, a cakewalk, and sprinklers. We also celebrated earning over 25,000 PRIDE Points in the month of May with delicious ice cream from Palazzolo's Artisan Dairy.

In the evening, we welcomed our families for our annual Family Fun Night from 5 pm - 7 pm. Families could enjoy time with their children with the inflatables, a Steel Drum concert, concessions, face painting, and lawn games. It was a beautiful evening and so lovely to enjoy time with our students and their families.

We would like to thank Vertical Edge, Country Life Natural Foods, People Helping People, The Linking Center, and Palazzolo's Artisan Dairy for supporting our students and our school. Without your support, this event would not be possible.

Pullman Elementary will be hosting a summer reading event at The Linking Center on Wednesday, July 12 at 1pm. This is free for all school-aged children. There will be activities, crafts, snacks, reading, and lots of fun!

#### Retirees:

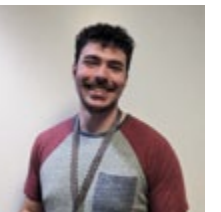

**Mike Douglas** - Mr. Douglas has dedicated 34 years of service to Bloomingdale Public Schools! It is said by many that Bloomingdale Public Schools has one of the best, if not the best, graduation ceremonies around! Teachers and staff attribute the infamous aura of our high school graduation to Mike Douglas. His hard work, dedication, attention to detail, and love and care that he puts into every moment of the senior video and the graduation walk.

**Abby Pliley** - Mrs. Pliley has dedicated 29 years of service to Bloomingdale Public Schools! She also provides support to her students so that they can be successful in their classes. She trains our students to run the school store, stock and track inventory in vending machines to help them build job-based skills and has helped to plan and chaperone the Senior Trip most years.

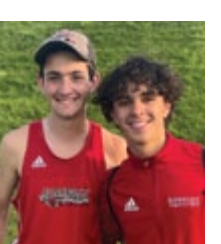

#### Congratulations Malachi Cassels!

**Vikings begin post-season play at Watervliet**

From Coach Nick Cox: June 5, 2023

Saturday we started post-season play in Watervliet. In the Semifinals we took on Bloomingdale. We scored 3 in the first and pulled away later, winning 15-3, with Anthony Hardester pitching a great game, sending us to the District Championship Game. We would take on a top-10 team in the finals, with Watervliet winning 15-0 to end our season.

This season was full of ups and downs. We played some good ball and struggled in other games. We learned a lot this season and we are excited for next season.

**Lady Vikings play Hartford to a tie**

From Coach Robles: May 17, 2023

The Vikings faced the Hartford Huskies at their field for our last conference game. The match ended in a draw with one goal a piece. Captain Amy Gomez scored the goal for the Vikings, and the girls performed excellently! Our record is now 5-10-1.

**Ladies soccer team drops game to Marcellus**

From Coach Robles: May 16, 2023

Last night, we traveled to Marcellus to take on the Wildcats. We allowed one goal in the first half, and after battling hard for the rest of the game, we couldn't find the net. The game ended 1-0 with a Wildcats win. Our defense did an excellent job of keeping the game close. We encourage you to come out and support your Lady Vikings!
