# Bloomingdale 2024 Winter Sports CARDINALS

Varsity Boys Basketball The Varsity boys basketball team is off to a positive start this year. This team has struggled in recent years, and has played some really competitive games thus far. The Cardinals' best game came against Martin, who Bloomingdale controlled from the opening tip. The Cardinals defeated Martin 77-37 at home. Curtis Ciborski had a career night, breaking the school record for points in a game with 50 points.

On 12/5, the varsity boys basketball team traveled to Covert. This game was back and forth throughout the night, but the Bulldogs pulled away in the 4th quarter and won 74-60.

On 12/15 the varsity boys basketball team hosted Comstock in a SW10 Conference game. Bloomingdale put on a strong performance in a very close game. Comstock would win the game 51-48.

Youth Girls Basketball Night At halftime of the girls varsity game on 12/15, we took time to congratulate our young Lady Cardinals from Bloomingdale Youth Basketball. Each girl was announced and received an award for their participation in the youth basketball season which finished the week before. Great job girls!

The Varsity girls basketball season is well underway. The Cardinals are looking to defend their three consecutive Southwest 10 Conference titles. Through five games, Bloomingdale has a record of 1-4 (1-2 in conference play). The Cardinals' strongest game came against fellow Southwest 10 Conference member, Comstock. Bloomingdale dominated the game throughout and won 50-23.

Athletic Schedule for January. Lists dates and times for Varsity Boys Basketball, Varsity Girls Basketball, JV Boys Basketball, and JV Girls Basketball games against various opponents like Decatur, Muskegon Heights, Bangor, White Pigeon, and Marcellus. Includes dates, times, and locations for away and home games.

Uniform Response took a vehicle vs. cow crash in the 66000 block of 48th avenue, Hartford Township. To date, the owner of the cow has not been located. Anyone with information regarding this crash is asked to call our office at 657-3101.

Uniform Response and the Investigative Unit took a homicide call in the 46000 block of CR 665, Waverly Township. Through the investigation, it was found that a 33-year-old Mattawan man showed up at the scene after using meth looking for his girlfriend who wasn't at the residence. An altercation took place with a 28-year-old Decatur woman and 28-year-old Paw Paw man with the suspect. After the altercation, the suspect intentionally ran over the two victims. The female was mortally wounded and succumbed to her injuries losing her life. The male did not have life threatening injuries. The suspect vehicle also hit the house as the suspect attempted to hit the male victim again. The suspect was lodged for Homicide, Attempted Homicide, Operating While Intoxicated Causing Death, and Possession of Meth.

Uniform Response and Animal Control are working a complaint in Waverly Township involving Great Dane Puppies in poor health. The complaint has been on going for several weeks with both divisions monitoring the situation and health of the puppies. Both divisions have received multiple calls regarding the puppies and have been actively investigating the breeder. The breeder has been working with a vet to improve the health of the puppies. This investigation will be ongoing for a resolution.

Uniform Response took a larceny of approximately 100 gallons of diesel fuel in Columbia Township. Anyone with any information pertaining to this is urged to contact our office.

Uniform Response took several Domestic Violence Complaints. It is common for this during the holiday season and law enforcement consistently sees a spike this time of the year. We also unfortunately see an uptick in suicides this time of the year or people seeking help for depression. If you see any signs of this, you are urged to reach out for resources and help. 988 hotline is a good number for help as well if someone does not want to reach out to law enforcement.

Uniform Response took a break-in in Bangor Township. It was in the Rush Lake/Van Auker Lake area. Anyone with any information on it is asked to call our office.

Uniform Response took a missing 80-year-old man complaint in Bangor Township. The subject suffers from dementia and other medical issues. He left his residence and didn't return in a timely manner. A news release was sent out asking for the public's help in locating him and it was successful. He was in Kalamazoo County. He was released to his family with a positive result.

Uniform Response and the Investigative Unit handled a double fatal fire in Waverly Township. The fire happened in the early morning hours and was called in by a passerby. Two residents lost their lives as did their two pets. The residence is a total loss. The first deputy on scene did locate a resident sleeping in an unattached building which was about ready to catch on fire due to the location and heat. The resident was taken to safety by the deputy. At this point, nothing appears to be suspicious, however, it is still being investigated in depth.

**Winter Weather Tips** for your four-legged friends!

It's a common belief that dogs and cats are resistant to people to cold weather because of their fur, but it's untrue. Like people, cats and dogs are susceptible to frostbite and hypothermia.

- Keep Pets Inside**  
 Longer haired and thick coated dog breeds, such as huskies and other dogs bred for colder climates, are more tolerant of cold weather, but no pet should be left outside for long periods of time in below-freezing weather.
- Provide Choices**  
 Just like you, pets prefer comfortable sleeping places and may change their location based on their need for more or less warmth. Give them some safe options to allow them to vary their sleeping place to adjust to their needs.
- Make Some NOISE!**  
 A warm vehicle engine can be an appealing heat source for outdoor and feral cats, but it's deadly. Check underneath your car, bang on the hood, and honk the horn before starting the engine to encourage feline hitchhikers to abandon their roost under the hood.
- Play Dress Up!**  
 If your dog has a short coat or seems bothered by the cold weather, consider a sweater or dog coat. Have several on-hand, so you can use a dry sweater or coat each time your dog goes outside. Wet sweaters or coats can actually make your dog colder. Some pet owners also use booties to protect their dog's feet if you choose to use them, make sure they fit properly.
- Provide Shelter**  
 We don't recommend keeping any pet outside for long periods of time, but if you are unable to keep your dog inside during cold weather, provide them with a warm, dry, solid shelter against wind. If you are able to, consider providing shelters for stray cats in the neighborhood.
- Be Prepared**  
 Cold weather also brings the risk of severe winter weather, blizzards and power outages. Prepare a disaster/emergency kit, and include your pet in your plans. Have enough food, water and medicine (including any prescription medications as well as heartworm and flea/tick preventives) on hand to get through at least 5 days.

### Tigers defeat Delton-Kellogg

**Coach Erin Carlin: Dec. 21, 2023**

The Tigers Wrestlers were tough Dec. 20th, though they finished 1-1 as a team. Down 3 starters, they left it all on the mat.
