Year-Round Water Screening Available

The Van Buren Conservation District (VBCD) is excited to be offering another year-round service. We are offering free water screening for nitrates and nitrites for Van Buren County residents and landowners. For no direct cost, residents and landowners may have their water screened for nitrates and nitrites.

Why screen your water? Large amounts of nitrates and nitrites in drinking water can be harmful to human health. The Michigan Department of Health & Human Services recommends testing your water for nitrates and nitrites every year.

Only households on private wells should screen their water. Municipal water systems regularly test for nitrates and nitrites. This service is a water screening and not a laboratory test. This screening does not include bacteria, PFAS, pesticides, or other contaminants. For more information, visit our webpage on water screening at VanBurenCD.org/water-screening

How it Works
To take your water sample, follow these directions:
1. Any hand washed container can be used.
2. Source water from an untreated water source, free of water softeners and filters. Outside faucets and spigots are recommended.
3. If applicable, disconnect hose.
4. Run water for 20-30 minutes.
5. Keep water samples cool and fresh. Samples over 24 hours old are not recommended.

This service is available during regular office hours (Monday through Friday 8:00 AM - 4:30 PM). The VBCD is closed for state and federal holidays. Occasionally, the VBCD office is closed due to events or meetings. Participants may call the office ahead to confirm availability of service at 269-657-4030 x5. Inquire at the front desk.

A Quick Word on Septic Systems
Speaking of clean water, one of the best things you can do to keep our lakes and streams clean is regular septic system maintenance. Many Van Buren County residents have septic systems to manage their home's wastewater. These systems need to be regularly inspected and pumped every 3-5 years. Ignoring your septic system can lead to costly repairs and system failure (and system failure is NOT something you want to experience!). Neglected septic systems can also leak untreated household wastewater to our groundwater, streams, and lakes, which can spread diseases in humans and animals. Check out our website for more information: VanBurenCD.org/septic-systems.

Questions? For questions, contact us by emailing info@VanBurenCD.org or by calling 269-657-4030 x5. You may also stop by our office at 1035 E Michigan Ave., Paw Paw, MI 49079!

MS Girls Basketball

Tigers beat Delton-Kellogg

From Coach Marc Kline • Feb. 21, 2024

The 8th Grade Girls Basketball Team are at 4-5 with a win at home v. Delton-Kellogg. The Tigers came out pressing and playing tough defense and fell behind 2-4 after the 1st quarter then after an 11-1 run to finish the 2nd quarter the Tigers went into halftime with an 8 point lead. It was an even in the 2nd half with the Tigers scoring 6 in the 3rd and 2 more in 4th to finish the game with 21 points defeating the Panthers 21-13. Again the defense led the way to the victory. Scoring came from Addy Hazard with 2 points, Bella Laughlin with 4, Kelsee Sherrod with 7 and Braelyne Woodard with 8 points.

8th grade girls lose to River Rats from Black River

From Coach Marc Kline • Feb. 20, 2024

The Gobles Tigers girls basketball team hosted the River Rats from Black River and fell behind 16 to 6 at the half. A few adjustments and some stingy defense in the second half allowed the Tigers to come within 6 points to fall 17 to 11. The Tigers held Black River to 1 point in the 2nd half but too many misses on the offensive stalled the comeback bid.

Those that scored include: Maggie Morand - 1 point, Grace Wilkins - 2, Braelyne Woodard - 3 and Kelsee Sherrod - 5. The Tigers finish the season with a home game Monday, February 26th against Saugatuck and travel to Fenville on February 28th.

Congratulations to Graduate Harley Pitcock

Please join us in congratulating our newest GED graduate, Harley Pitcock! We are so proud of all her hard work and accomplishments. We asked Harley to share a little bit about her journey with us.

Why did you decide to earn your GED certificate?

"Working many hours plus taking care of my siblings made the GED program more efficient for my schedule."

Were there any challenges or obstacles that you had to overcome to finish your GED studies? If so, what helped you most on your journey?

"Graduating during the pandemic made it harder to graduate on time. I decided to take time to work and then finish school when my schedule was less hectic."

Tell us a bit about your experience in our GED program and your future plans. How has the GED Program helped you achieve your goals?

"The GED program has been very helpful and the staff are very supportive. I plan to get my CNA Certification."

Have you been working while studying to earn your GED? If so, where do you work, and what do you do?

"I was working with Beacon specialized living, then moved to Cornerstone AFC. I take care of people with disabilities."

****Good luck to you, Harley, on your new CNA certification journey! We are so proud of you!***

SHERIFF'S CORNER

VAN BUREN COUNTY SHERIFF DANIEL E. ABBOTT

Uniform Response took a Felonious Assault in Bangor Township. The victim was assaulted by a baseball bat. The victim did not wish to pursue charges on the suspect. Deputies did obtain the needed information for the call even though everyone was not cooperative. Deputies made sure everyone was safe prior to clearing the call.

Uniform Response did some directed Traffic Enforcement in the county. Four Deputies worked together in Lawrence Township, Porter Township, Waverly Township, and Bangor Township. Twenty-one traffic stops were made for various reasons. Five citations were issued for speeding and plate violations. Sixteen verbal warnings were given.

Uniform Response had a pursuit with a suspect that didn't have a plate and covered his face with a mask while passing the Deputy. After the subject pulled over, it was found to be a juvenile without a driver's license. Disposition was made of the juvenile and a report was sent to the prosecutor's office for review and authorization.

Our Emergency Management Division ran drills for South Haven District Court, Administration Office, Friend of the Court, and Paw Paw Court House this week. By running training drills, it keeps everyone up to speed on responses in case of a real emergency. Thank you to everyone who participated.

Uniform Response took a Break in complaint in Waverly Township. The incident happened between 2:30pm and 12:30am on 2-12-24. Four handguns were stolen, seven long guns, air compressor, Generac generator, and green Polaris quad. Anyone with information on this is asked to call our office.

Just a reminder to the public that our office gives away free gun locks that we obtain free of charge through a program that we are partnered with Bronson in. If you come into our office during business hours, our lobby staff will provide you with these locks.

Thank you to the Alma Township Board for purchasing two portable radios for our Reverse Division. The radios will be used on a regular basis by them and is very appreciated.

Our Narcotic Unit worked in conjunction with Lawton PD on a case in Lawton in which the Narcotic Unit had tips on. Information was passed on to our unit that a subject was trafficking drugs and possessed firearms in which he was prohibited to have being he was a convicted felon. The Lawton Police Chief observed the subject in question and another subject by a truck outside the residence. Contact was made by the Chief and a Narcotic Detective. One subject lied about his name; however, they were able to eventually ID him. The subject did have warrants for his arrest out of Kalamazoo County. Our Canine Unit done a free-air search of the vehicle and indicated that there were narcotics in the vehicle. A search was done in which two shotguns, a pistol case without a pistol, two ammunition cans with ammunition, a box of ammunition, and 1.4 grams of methamphetamine were located. Both individuals were lodged on numerous charges.

Uniform Response responded to a missing 3-year-old in Antwerp Township. It was found that the family was outside when their dog ran off and the child followed. The child was located a long distance away from the residence cold but safe. Great work by everyone involved for a good ending.
