Crafts lead the way for Mother's Day gifts

Mother's Day is a special time for children to show their appreciation for their mothers, grandmothers and the other special women in their lives. Older children typically are capable of designing their own Mother's Day crafts or even shopping for gifts for Mom, while younger children will likely need some help from an adult.

Youngsters may not be able to take charge of Mother's Day festivities alone, but they certainly have the energy and enthusiasm to chip in. Handmade craft gifts are a thoughtful way for young kids to show their love for Mom. Here are a few ideas that can occupy even the youngest of hands.

body to make the wings.

Heartfelt masterpiece

Children can draw and color all over a large sheet of construction paper or another durable paper. An adult can then use another sheet of paper to make a frame mat of sorts, cutting out a heart shape from the middle. Both pieces of paper are then trimmed to the dimensions of a photo frame. The artwork is placed first and then the heart matting on top so that the artwork will show through the heart shape. Frame everything together for a lasting memento.

Fuzzy flowers

Kids can make Mom a bouquet of flowers that will never wilt. Print a photo of the child's face and attach it to a piece of circular card stock that is roughly six inches in diameter. Have the child paint a popsicle stick green, and then attach that to the back of the round card stock. The child then glues small fuzzy pom poms to the card stock surrounding the picture to make a flower. If desired, attach a magnet to the back of the flower so it can be secured to the refrigerator.

Crafts are a great gift option for young children looking to give something special to Mom on Mother's Day.

2024 Spring Sports BANGOR VIKINGS

Boys Track Girls Track MS Girls Soccer

From Coach Hunter:

The boys track team competed against White Pigeon, Comstock and Bloomingdale last Wednesday in a conference meet. We came up short against WP and Comstock but beat Bloomingdale. Leading the way was Yrral Campbell winning the discus and Austin Birner winning the long jump.

On Friday, they went to the Comstock invite and brought home a trophy for 3rd place out of 11 teams. The 3200m relay and 1600m relay won as well as Jose in 400m dash and Angel in the 3200m run. 2nd place was Angel in the 1600m run and Yrral in the shot put and discus.

April 25
The boy's track team traveled to Hartford last night to compete against Hartford and Cassopolis in a league competition. We beat Cassopolis but lost to Hartford by 2 points despite a great team effort and performances all around.

April 29
The boys track team competed at the Schoolcraft invite last Friday and finished tied for 3rd place as a team. Leading the way for Vikings was Yrral Campbell with 3 first place finishes - shot put, discus and part of the 800m discus relay. The rest of the discus relay was Liam Mortensen, Enrique Macedo, and Landen Valentine. Other highlights were 2nd place finishes by Clint Cagle in the 100m dash, Austin Birner in the 200m dash, and Angel Barajas in the 3200m run. Another great team effort on a cold and rainy evening.

Varsity Softball

April 30
From Coach Rickyna Luter: (Var. Softball)
Last night the Vikings traveled to Decatur for our toughest matchup to date. Decatur has been a powerhouse in the conference for some time, and we were hoping to play at their level. We were able to keep it close in the first game but weren't able to generate runs. In game 2, we were struggling to put the ball in play as well. We dropped both games to the 1st place Raiders. We are hoping to bounce back on Thursday at home vs Cassopolis. The game starts at 4:30, come out and support the Lady Vikings!

From Coach Muñoz:

Wednesday, April 26
On Wednesday, the girls track team went to Hartford for a SW10 meet. We had a good meet and continue to show improvement.

Wednesday, April 30
The girl's track team competed in the Schoolcraft Invitational on Friday. We did well and finished in 4th place out of 8. We have a SW10 meet on Wednesday in Lawrence at 5pm.

Wednesday, May 1
On Wednesday, the girl's track team went to Lawrence for a SW10 meet with Lawrence and Centreville. We worked hard and walked away with PRs by Aliya Lee, Savannah Marfia, Jaelynn Little, Navaree Nevith, Claire Heimsath, Madison Smith, and Lauryn Anderson. We host the Bangor Invitational on Saturday beginning at 10am.
Team Scores
Bangor 25 - Centreville 110, Bangor 51 - Lawrence 50
Individual Highlights:
• Lauryn Anderson 2nd (discus & shot put)
• Jaelynn Little 1st (400m), 2nd (100m, 200m, long jump)
From Coach Marc Hunter: The boys track team went to Lawrence yesterday and competed in a conference meet against Lawrence and Centreville. The boys ran well and it was a total team effort to beat both teams. Great job. Next competition for some is tomorrow at St Joseph, then our Bangor invitational is Saturday at 10am. Come out and cheer on your Vikings.

Bangor Shuts out Bloomingdale 4-0

April 25
From Coach Aparicio: Yesterday, we faced off against the Bloomingdale Cardinals in an intense and thrilling match. The first 10 minutes of the game were a clear indication that it was going to be a very competitive game, with both teams fighting for dominance on the field. We managed to adjust our strategy and make some changes that allowed us to balance the game. We were able to score in the first half, giving us a much-needed boost in the second half.

In the 2nd half, the game slowed down due to fouls, but both teams maintained their intensity and desire to score. Our defense worked hard on keeping the ball out, and our offense kept pushing for the win. The final score Bangor 4-Bloomingdale 0. Goals: Andrea—2, Camila—1, Isabel—1

Lady Vikings Soccer

From Coach Robles: The Lady Vikings soccer team hosted the Bloomingdale Cardinals to a very intense soccer game. The Cardinals were able to find the net first leading the game 1 - 0. The Lady Vikings answered back and tied the game 1 - 1 before the end of the first half. The Lady Vikings continued to fight strong in the second half but were not able to stop the Cardinal offense allowing them to score twice. In the last 30 seconds of the game, the Lady Vikings were given an opportunity to score with a couple of corner kicks but were not able to find the net losing the game 3 - 1. The Lady Vikings have made great improvements!

Varsity Baseball

April 26
From Coach Nick Cox: (Varsity Baseball)
We traveled to White Pigeon for a SW-10 conference game. We dropped both games. It was a struggle for us offensively and defensively. We were led by Caleb Burrows going 3-5. On the mound, Anthony Hardester and Jaret McCoy pitched 6 innings each striking out a total of 13 batters and only walking 2. We will be back on the field Monday when we travel to Decatur. Game 1 Bangor 3 White Pigeon 6 Game 2 Bangor 6 White Pigeon 7

MS Baseball

April 29
From Coach Culbertson: Bangor Middle School baseball played its third game of the season against Eau Claire on Saturday. We lost a close game with the final score being 11-10 after 5 innings. The ten runs is the most we have scored all season so far. Evan Broyles, Jaxon Valentine, and Talon Abbott all did a great job pitching in this game. Kaiden Pearce scored two runs and Taylor Gardner made multiple defense plays in the outfield. Our next game is Wednesday at 4:30PM at Fennville.

JV Baseball

From Coach Shawn Cox: (JV Baseball)
We traveled to Bloomingdale and took down the Cardinals 12-0 in both games for our first wins of the season. It was an offensive explosion for us as we combined for 21 hits through the double-header including Jorge Dominguez going 3-3 and scoring twice and Ethan Nielsen going 3-4 and accounting for 5 runs. We all played very well as a team from start to finish of both games resulting in very convincing wins. We now sit at 2-2 on the season and travel to Saugatuck on Friday.

Great gifts for Moms from all walks of life

Mother's Day is an opportunity to show moms how much they're loved and appreciated. Though many moms may insist they don't want anything beyond spending the day with their children, gifts are a big part of Mother's Day.

No two moms are the same, and though standards like flowers and greeting cards will always have a place on Mother's Day, the following are some gift ideas that can put smiles on the faces of moms from all walks of life.

Bookworm
There's no end to the gift options for mothers who love to curl up with a good book. Of course, some new books may delight Mom, but gifts that can improve the reading experience also merit consideration. For example, an ergonomic backrest reading pillow can make bedtime reading sessions more comfortable and ensure Mom's neck and back get ample support as she reads the latest page-turner. A nightstand book holder also can be ideal for moms who can't seem to keep track of their bookmarks.

Fitness enthusiast
Some moms simply love to get in a good workout. Shoppers whose mothers or wives love to break a sweat might want to look into home gym equipment, as many fitness enthusiasts transformed part of their homes into exercise areas during the pandemic. If that sounds like the mom on your shopping list, then a suspension training system won't take up much room but can provide an intense, full-body workout. A new yoga mat, some wireless Bluetooth headphones or a compression

stretching mat are some additional gifts that might make exercise-loving moms smile this Mother's Day.

Traveler
Moms whose children still live under the same roof may not have much opportunity to travel, but empty nesters and grandmothers might. For such moms, a foldable, hanging travel bag can make it easy and convenient for mom to carry all of her toiletries and access them without taking up what's often minimal hotel room counter space. For moms who want to document their excursions, a leather travel journal encourages them to note their experiences and gives them something they can revisit for years to come. Of course, some new luggage can make the perfect gift for newly retired moms who can't wait to start visiting places on their travel bucket lists.

Businesswoman
Millions of moms manage to juggle the obligations of family life with a challenging career. Mother's Day can be a great time to recognize that balancing act. A self-heating coffee mug can ensure Mom's morning cup o' joe doesn't go cold as she traverses her way through a hectic morning routine. Another great gift is a charging mouse pad that can charge all of Mom's devices even while she's working. If you want to help Mom remain calm as she navigates her way through a day filled with personal and professional obligations, an essential oils diffuser can create a sense of relaxation on the most hectic of days.
No two moms are the same. Fortunately, great gifts can be found for moms from all walks of life this Mother's Day. TF235989

SHERIFF'S CORNER
VAN BUREN COUNTY SHERIFF DANIEL E. ABBOTT

Detective Chris Orr gave a presentation at Mattawan High School covering social media awareness, cyber bullying, extortion, and good practices for electronic devices. Detective Orr also went over two case studies where computer crimes were essential to a successful prosecution. Detective Orr runs our Computer Forensics in the Criminal Investigation Unit at our office.

Our Office assisted Bangor PD with a Threats Complaint involving the school. The suspect which resided in another city was located, interviewed, then released. The report will be sent to the prosecutor for review.

This past week, Uniform Response went through their yearly Defense Tactics Training. During the training, Deputies go over case law, defense tactics, updates on new legislation that pertains to force, etc.

Our office sent 4 Deputies in different capacities to a Domestic Violence Extremist Conference. Several things are taught at the conference. In today's climate, our office wants to stay on top of everything possible and gain as much knowledge/contacts as possible.

Uniform Response was dispatched to a Vehicle Accident in Geneva Township. Upon arrival, the driver was passed out behind the wheel. During the investigation, the suspect fought with the arresting Deputy. The driver was ultimately lodged for Resisting and Obstructing, Operating Under the Influence 3rd Offense, and Driving While License Suspended.

If anyone is interested in being sponsored for the Police Academy, reach out to me directly. We have been sponsoring people that work here and are now at the point we can open it up to the public for possible sponsorship. Fortunately, there is grant money out there we have been using to cover the costs. We also have openings here and there in other spots, so keep an eye out if you or anyone you know is interested in making a career at our office. It pays good with great benefits.

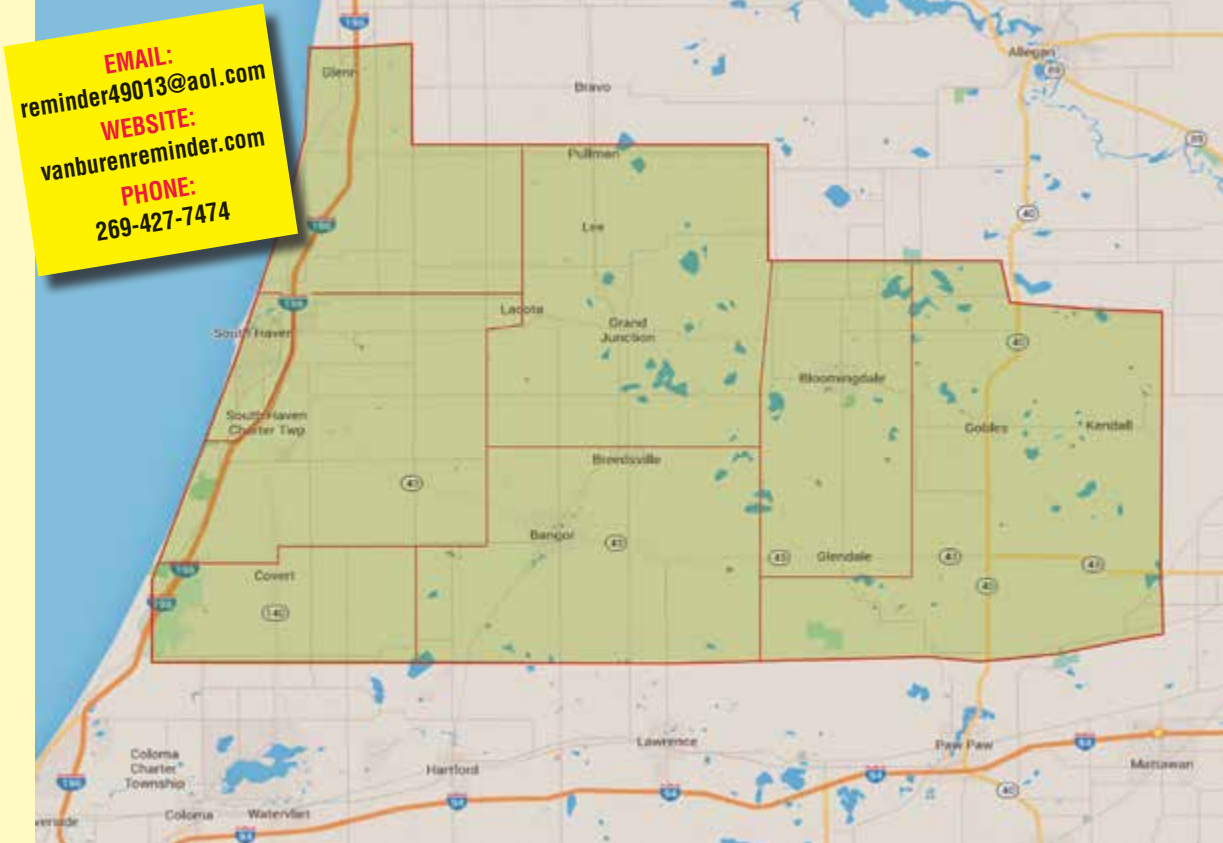

Uniform Response took a Break-in in Columbia Township. Numerous items were taken which include a 2005 3.5 Horse Mercury Outboard Engine. Other items were a Schwinn Men's 24" Bike Classic Six, 48" Ozark Camping Table, 4 Camping Chairs, Plano Tackle Box full of Lures, 7" Hummingbird Fish Finder, 4 Rods & Reels, misc other Items. Anyone with any information is asked to call our office.

Uniform Response was dispatched to a Break-in in Columbia Township. Upon arrival, Deputies observed the suspect run into the residence. Deputies did ultimately arrest the suspect for the incident. The suspect was charged with Home Invasion, Resisting and Obstructing.

Uniform Response took a compliant in Almena Township where the victim got scammed. The victim was scammed into transferring 7 thousand dollars from their account into a Bitcoin Account.

TAXES, TAXES AND MORE TAXES!

In 2001 and 2007, the Bloomingdale School District (Pullman Elementary, Bloomingdale Elementary, Middle and High School) received voter approval to borrow a total of \$19,750,000. The voters approved **7.7 mills** to retire the debt over the years ending in 2030 at which time the millage would cease. A property owner with a property taxable value of \$100,000 has been paying \$770 annually to retire this debt.

Now comes the District on the May 7, 2024 Special Election ballot seeking approval of two proposals (Proposal I and Proposal II) totaling an additional \$32,400,000 in borrowing to pay for a wish list of District facility infrastructure and site improvements. The District intends to retire the debt over a period of 30 years.

Presumably, if both proposals are approved, property owners within the District will be burdened with **9.7 mills** for the next 12 years (through 2036) and some unspecified number of mills over the remaining 18 of the 30 years (through 2055) over which the debt will be retired. If you are baffled by the language and information of both proposals – **YOU ARE NOT ALONE!** The ballot language and information of both proposals are unclear and confusing.

Perhaps this significant additional borrowing and indebtedness over the next 30 years would be more palatable to voters if the proposals explicitly stated how such \$32,400,000 of additional borrowing would result in increasing the academic performance of District students. Students within the District lag far behind their peers among Michigan schools in mathematics, English language arts, science and social studies testing scores. Student performance statistics are derived from annual Michigan M-Step (Michigan Student Test of Educational Progress) testing results. Refer to www.michigan.gov/mstep for details.

With a **25%** decline in student enrollment since the year 2000 (1,444 in 2000, 1,104 in 2022) and a student to teacher ratio of **16:1**, voters have to wonder why the low M-Step scores and what the District is doing to remedy these scores.

Before voters consider approving any additional District borrowing and indebtedness, and the resulting mills over the next 30 years, the District should explain to what extent student academic performance is projected to improve given such increased District indebtedness and resulting millage. That is, the District should provide the voters with anticipated measurable increased student academic achievement for which the District will be held accountable for achieving.

In seeking approval for this substantial borrowing, the District is asking voters to dig deeper into the crevasses of their wallets for more tax dollars. It appears the District ignores the current day-to-day financial burdens of voters dealing with the ever increasing cost of putting food on the table, purchasing a costly gallon of gasoline or propane, a dismal economy, stagnant employment wages and accelerating inflation. Apparently so.

Come May 7, 2024, voters have a choice to either dig deeper into the depths of their wallets for more tax dollars for unspecified academic achievement objectives or succumb to continued property taxation without any measure of predicted academic performance outcomes, and no District accountability for achieving these outcomes.

The coaches are all so incredibly proud of you. Your Lady Cardinals also hosted Lawrence Monday.
