BANGOR VIKINGS

Middle School Soccer

Vikings play shortened game

From Coach Aparicio • May 15, 2024
 The Middle School Soccer team faced off against the Hartford Huskies at home for their final game of the season. Unfortunately, the game was cut short due to miscommunication on the schedule between schools. Thankfully, Coach Jackson stepped in to help officiate the match. The Lady Vikings played their game, and their midfielders and forwards worked together to score three goals in the first half. In the second half, the defense had little activity, but Vianet managed to score another goal. Despite the challenges, the team played well and made the most of the shortened game.

Vikings Boys Track

From Coach Marc Hunter • May 14, 2024
 The boys track team competed at the Comstock invitational last night and finished 6th in final preparations for the regional track meet on Friday here at Bangor. Leading the way was the 3200m relay (Tyler, Fernando, Jose S., and Angel) which finished second and Austin B. finished 3rd in the 300m hurdles. This Friday we are hosting the regional track meet starting 2pm. Come out and cheer your Vikings on.

 The boy's track team competed at the Shamrock invitation on Friday placing 4th as a team. Some highlights were: Austin Birner (5th in 110hurdles and 6th in the 300m hurdles); 4x800m relay took 5th (Tyler C., Fernando M., Jose S., Angel B.); Yrral Campbell took 2nd in the shot put and 5th in the discus.

GO VIKINGS!

Varsity Girls Soccer

Ladies fall to Wildcats

From Coach Robles • May 14, 2024
 The Lady Vikings Soccer Team hosted the Marcellus Wildcats on Monday night which was also Senior Night. It was a hard-fought game. The Wildcats came out with a 2-0 lead and the Lady Vikings answered back with a Penalty Kick. The Wildcats were able to score another goal by the end of the half and were leading 3-1 at the end of the half. The Lady Vikings gathered their energy and maintained the second half scoreless. The Wildcats came up with the win 3-1.

Bangor falls to South Haven

From Coach Robles • May 13, 2024
 It was a busy weekend for the Lady Vikings' soccer team. We traveled to South Haven on Friday night and came up short after playing a hard-effort game, 5-0. Saturday morning, we traveled to Parchment. Although our Vikings fought hard, we fell short against our two opponents at the Parchment Invitational tournament. 7-1 versus Parchment and 3-0 against Hartford. Our next game is Monday, and we will face the current number-one team in the conference. We will also honor our seniors, as it is their Senior Night.

Girls Varsity Track

Girls place 8th in Comstock

From Coach Ben Muñoz • May 14, 2024
 On Monday evening, the girl's track team competed in the Comstock Invitational, finishing 8th overall. Leading the girls with a 3rd place finish in the 200m was Jaelynn Little.

Girls compete in Shamrock

From Coach Ben Muñoz • May 13, 2024
 The girl's track team competed in the Berrien Springs' Shamrock Invitational on Friday. We had many personal/season records.

JV & Varsity Baseball

JV Vikings play doubleheader

From Coach Shawn Cox • May 14, 2024
 The JV team traveled to Centreville to take on the Bulldogs in a doubleheader. After a slow start to the first game, we recovered defensively and played very well against a very good team in game 1. In game 2 we jumped out to an early 4-0 lead and were quickly matched as we dropped game 2 in a closely played game. We did very well on the mound and in the field as we had a fielding % of over .900 along with Isaiah Irvine and Luke Remington each pitching 3 innings and getting 6 strikeouts each. We also had Zach Mann at the plate go 2-3 while driving in a run.

Lack of scoring hurts Varsity

From Coach Nick Cox • May 14, 2024
 The Varsity team took on Centreville last night. We lost both games, 11-0 and 16-0. We are back in action on Thursday when we travel to Watervliet.

Vikings play JV Invite

From Coach Shawn Cox • May 13, 2024
 This weekend we had our Bangor JV Invite facing off against the South Haven Rams. We were able to play a full 5 inning game against a very good team and never gave up avoiding the shutout thanks to Carson Pullins stealing 3 bases including home to score the lone run of the game in the last inning. In our second game we faced off against the Hartford Huskies and played them very close the whole way as we trailed by 1 heading into the bottom of the 4th inning ultimately losing 9-4. Top Performers at the Plate:
 Luke Remington: 3-5 with 2 RBIs
 Christian Kovell: 2-4 with 1 run scored

Louise L. Nelson

Louise Lynnea Nelson, age 80, of Gobles, MI, died on Monday, May 6, 2024, at home under hospice care and in the presence of her family. Louise was born in St. Joseph, MI, on August 27, 1943, to Arthur C. Johnson and Eloise F. (Parker) Johnson. She grew up in the Bredsville and Grand Junction areas, attending the one-room Saddle Lake School for elementary, the Grand Junction School for junior high, and then Bangor High School, where she graduated in 1961. She married her husband Wayne in 1974 and they were able to celebrate their 50th Anniversary in March.

All considered Louise to be a truly kind, loving, and thoughtful person. She made friends very easily. Her passion was collecting glassware and other antique and vintage items, and she was deeply knowledgeable in that. She enjoyed traveling and visited many beautiful locations in the US and Canada through the years. She loved cats, especially Miss Kitty who provided great comfort during her declining health. She and Wayne loved watching hockey on TV, being big fans of both the Red Wings and the Blackhawks.

Louise is survived by her husband Wayne, daughter, Debra McCormick (spouse Mark Bolyen) of Allegan, son, Brian Garpow of South Haven, grandson, Justin McCormick (spouse Jame Taylor) of Sarasota FL, grandson, Jordan McCormick (spouse Brittany McCormick) of Allegan MI, great-grandson, Liam McCormick of Allegan, brother A. L. "Lonny" Johnson (companion Joann Cappelto) of Grand Junction, MI, sister, Elizabeth "Beth" Taylor (partner Ed Bowen) of Bloomingdale MI, special sister cousin, Signe Johnson of Holland MI, special nephew, Tony Johnson of South Haven, special niece, Sally Germinder (spouse Eric) of Hartford MI, special friends, Allyson Allen, Brenda Molitor and Dee Allen, and numerous members of her extended family.

She was pre-deceased by her parents; brother, Theodore Johnson (surviving spouse Donna Johnson) of Hartford; brother, Carl Johnson of Dewey AZ; and brother, Chester Johnson of Grand Junction MI. Louise has been cremated and there is no formal funeral. A memorial celebration and luncheon will be held on Monday, June 3, 2024, from 11:30 AM to 2:00 PM, at the Bloomingdale Conservation Club, 16681 41st St., Bloomingdale, MI 49026. This will be a full luncheon, a short ceremony, and good fellowship, with casual dress. Please join us.

Wings of Hope Hospice, 530 Linn St, Allegan, MI 49010 provided superb service to the family during Louise's final weeks, and we ask that memorial contributions be made to Wings of Hope, online at wingsofhopecare.com or by mail.

The family has entrusted, with thanks, the D.L. Miller Funeral Home to facilitate the arrangements.

8th Graders Explore Historical DC and Have Some Fun Too!

Members of the 8th grade class took part in an experience of a lifetime as they traveled to Washington DC for a week long class trip. This year's trip was packed with education, fun, bonding, and endless memories.

The trip kicked off with an excellent dinner at Nando's Peri-Peri, a beautiful walk on the Anacostia River, and even a little pool time at the hotel! From there, the group got to see signature stops in DC such as The United States

Holocaust Memorial Museum, various Smithsonian Museums, Washington Monument, Korean/Vietnam War Memorials, Lincoln Memorial, Jefferson Memorial, WW2 Memorial, Iwo Jima Memorial, and of course a photo at The White House.

There were several special moments on this trip. One of them being at a stop at the famous Ben's Chili Bowl restaurant. Ben's Chili Bowl is a historic landmark on Washington DC's U-Street, and students got to meet owner Virginia Ali who told

her amazing story, including her meetings with Martin Luther King Jr. at Ben's Chili Bowl as he explained his plans for The March on Washington in 1963.

Another highlight was a stop at the 9/11 Pentagon Memorial, as students stood near the location where the plane struck on that tragic day. Students also learned the names of those who were lost and saw their pictures, their accomplishments, and their stories.

Students also got to see democracy and free speech in action, as they walked by the Supreme Court while protestors stood on the front steps and made themselves heard during important sessions.

Other visits included Mount Vernon, a tour of the US Capitol, Arlington National Cemetery, a cruise on the Potomac River, and Ford's Theater. Our students were complimented several times for their excellent behavior and respect towards others. Great job everyone! Class of 2029: you're up next!

Army Rangers Visit Gobles Elementary While on Leave

Gobles Elementary Kindergarten, First, and Second grade students had the pleasure of meeting our very own Mrs. Rosie's Army Ranger sons while they were home on a short leave. They talked all about how hard work and integrity have helped them become successful, and the importance of doing your best in school. Students asked lots of questions, listened to a story, and even practiced doing some push ups! What an awesome opportunity for our youngest Gobles Tigers and staff to meet real life heroes!

Who's ready to pet an alligator?

Kindergartners got up close and personal with some really cool reptiles after learning about animal needs and habitats. During our visit from Critchlow Alligator Sanctuary, students were able to learn more about animals like alligators, pythons, and lizards. They even learned the difference between turtles and tortoises! The highlight of the visit was being able to carefully pet the alligator, bearded dragon, and tortoise. It was a treat for the students and staff, and we look forward to future visits from our scaly friends!

The Kalamazoo Air Zoo takes 6th Graders in Flight

Gobles 6th-grade students enjoyed a fun day at the Kalamazoo Air Zoo. Students have been learning about flight in their History of Flight class with Mr. Lisowski and Newton's Laws in science class. Students were able to make gliders with the Air Zoo flight expert. They then learned to maneuver their gliders using lift, thrust, and gravity. The highlight of the trip was using what they learned when creating the gliders in the flight simulators as they practiced controlling the rudder, elevator, and ailerons. If you are not sure what an aileron is, visit the Air Zoo or ask a Gobles 6th-grade student! Other highlights of the field trip include the WW2 exhibit and the SR-71B Blackbird. We heard many students exclaim that this was one of their favorite field trips. The Kalamazoo Air Zoo was a great experience.

Donut Fundraiser Huge Success

Donut Friday has been a huge success for this year's grad bash fundraiser. The Class of 2024 is looking forward to heading off to their grad bash adventure after graduation!

Students Clean Up and Plant Flowers

Community Service Day originated from a heartfelt desire of students to support their town. In the wake of the devastating fire that consumed Jan's Restaurant in 2012, the graduating class of 2014 sought to rejuvenate their fire-stricken community. Although safety concerns prevented them from participating in the cleanup efforts, they initiated an enduring tradition. This annual event, conceived as a gesture of gratitude towards the resilient spirit of Gobles, embodies the school's commitment to giving back. Now in its 11th year, Community Service Day at Gobles Middle High School continues to unite students in acts of service and kindness, showcasing their appreciation for the enduring support and generosity of the town's residents. This year, our students truly made a difference on Community Service Day. They put their hearts and hands to work, enhancing the beauty of our schools and community.

This photo was taken August 28, 2024, marking the first day of school for the Class of 2024, here they welcomed in the school year at the annual, "Senior Sunrise Celebration". It's all about saying goodbye now as graduation takes place on May 30, 2024!

Tamales: A Tasty Vocabulary Story

The 3rd graders got to try tamales for the first time. Their story for the week was about a girl speaking two languages. Their vocabulary was tamale, so the teachers bought some from Malia's. Thanks to Malia's for preparing them all!

SHERIFF'S CORNER

VAN BUREN COUNTY SHERIFF DANIEL E. ABBOTT

****Members of our community continue to try to be scammed by different methods.** A resident this week notified me that a relative received a call advising his grandson was looking at charges, locked up, and they needed \$24,000 to get him out of everything. Once they were advised he didn't have that kind of money, they dropped it to \$12,000 advising a Deputy could come by and pick it up. The individual knew it was a scam and didn't fall for it. This is just another example of how you may get scammed. Keep in mind, Law Enforcement would never make a call like that nor ask for money to be in your presence so we could pick it up. Unfortunately, we didn't get a number to try to trace back to the suspect.**

****Uniform Response stopped a vehicle in Keeler Township for speeding.** The Hartford Resident had an outstanding warrant for her arrest out of Berrien County. A search after arrest produced a meth pipe and open bottle of Jack Daniels. She now faces charges in our county for Possession of Methamphetamine, Transport Open Intoxicants, No insurance, and No Ops on Person.**

****Uniform Response had a Field Contact in the Village of Paw Paw.** The Kalamazoo Resident was tied to a suspicious vehicle in the contact. The male suspect had a warrant for his arrest. A pat down search after his arrest produced a meth pipe. The suspect was lodged at our facility on both charges.**

****Uniform Response was dispatched to a possible Domestic Violence call in the Village of Lawrence.** Deputies found after the investigation that an assault did take place. The male suspect was lodged on Domestic Violence and a Probation Violation.**

****I want to send out a HUGE THANK YOU to everyone who participated in National Prayer Day this past week.** I attended the one put on in Paw Paw and it was put together in a very professional manner with a great turnout. To see the Children of Trinity Lutheran and Saint Mary's Schools participating in the event was priceless and heartwarming. All the speakers and representatives to pray for different interests were on point and they did a great job.**

****Uniform Response took an Unlawful Driving Away Automobile(UDAA) in Hartford Township.** The vehicle taken was a Gray Dodge Journey. Information is still being gathered at the time of this update.**

****Uniform Response took a Motorcycle Crash/Fatality in Antwerp Township.** It was found that the 47-year-old Paw Paw man was south bound on CR653 when he went off the roadway and hit a mailbox. After hitting the mailbox, he was separated from the motorcycle. The rider was not wearing a helmet during the incident. The driver was transported to Bronson Kalamazoo where he succumbed to his injuries, losing his life. The accident remains under investigation and the exact cause of leaving the roadway is still under investigation.**

****Uniform Response took a Break-in that occurred in Pine Grove Township.** The suspect vehicle was described as a rusty 90's Green Dodge Ram with a large cab. A witness described the occupants as a white female and white male around 30 years old. Numerous items were taken which include a Zero Turn Lawn Mower, Jack, Mufflers, Microwave, Washer, Dryer, Rototiller, and a Generator. Varsity Girls Soccer

The Varsity Girls soccer team ended their regular season Monday night, hosting Southwest 10 Conference foe, Hartford. An injury plagued Bloomingdale, played tough, but couldn't hold up to the Huskies, losing 0-2. Bloomingdale will host Bangor in the first round of the MHSAA District Tournament on Wednesday at 6pm.

MS Girls Soccer

The Middle school soccer team finished their first season Monday. They did an amazing job for it being their first season. We are proud of the girls and all of the growing they did as a team. To our 8th grades we wish you the best as you guys move on to varsity. Our leading goal scorers of the season were Kylee King and Elea Gutierrez. Good job to all of our girls. We are very proud of them!

MS Girls Softball

The Middle School Softball team hosted Fennville Wednesday night in a double header. The two teams had already matched up earlier in the season, with Fennville winning both halves of a Saturday double header. The Cardinals were eager for a second chance against a tough Black Hawk team and this time the win would go to Bloomingdale. Great job girls!

High School Track and Field

The Varsity track team had a great performance today at the Gobles invitational.
