# Van Buren Intermediate School District Annual Public Notices for 2024-2025

The following annual public notices cover all of the programs and services offered by the Van Buren Intermediate School District, including the Van Buren Tech, Bert Goens Learning Center, Special Services Center, Maple Creek Education Center, Community-based Transition Center; Early Care and Education Programs, ESL/Migrant Programs, and Special Education Services.

**ANTI HARASSMENT POLICY**  
It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board. The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as "unlawful harassment"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action. For purposes of this policy, "School District community" means students, administrators, and professional and support staff, as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board. For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

**Notification to Public Regarding Inspection of Instructional Materials**  
Members of the public have the right to inspect instructional materials, including but not limited to print and non-print materials, teacher's manuals, films, tapes and any other supplementary materials, used as part of the educational curriculum by Van Buren Intermediate School District programs. The Director of Special Education and Director of Van Buren Tech are responsible for coordinating inspections of instructional materials at Van Buren Intermediate School District, located at 490 S. Paw Paw Street, Lawrence, Michigan. They can be reached by calling (269) 674-8091.

**ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA)**  
DeLisle Associates completed an inspection on July 1, 2021 of all remaining asbestos-containing materials in district facilities. This inspection and routine six-month inspections performed by district personnel are part of our Management Plan. Asbestos materials were confirmed in the Bert Goens Learning Center, Van Buren Tech, and Special Services Center. They were found to be in good condition and present no danger to students, staff, or visitors. If and when any changes occur, employees and parents will be promptly notified. Parents who wish to review the district's Management Plan may do so by contacting David Johnson, Supervisor of Maintenance at (269) 539-5233.

**NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**  
It is the policy of the Van Buren Intermediate School District that no discriminatory practices based on race, color, national origin, sex, (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, "Protected Classes"), be allowed in its programs and activities, including employment opportunities. Inquiries regarding the non-discrimination policies should be directed to Rebecca DePas, Director of Finance and Operations, 490 S. Paw Paw Street, Lawrence, MI 49064, (269) 674-8091. If a person believes that s/he has been discriminated against or denied equal opportunity or access to the District's programs, activities or services, the person may contact the District's Civil Rights Coordinator: Rebecca DePas, Director of Finance and Operations, 490 S. Paw Paw Street, Lawrence, Michigan 49064; Phone (269) 674-8091; Fax (269) 674-8030; Email [rdepas@vbsid.org](mailto:rdepas@vbsid.org). The individual may also, at any time, contact the U.S. Department of Education, Office for Civil Rights, Cleveland Office, 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115-1812; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (800) 877-8339; E-mail: [ocr.cleveland@ed.gov](mailto:ocr.cleveland@ed.gov); Web: <http://www2.ed.gov/ocr>.

**SAFE AND DRUG FREE SCHOOLS AND COMMUNITIES ACT**  
Van Buren Intermediate School District recognizes and abides by the standards of the Safe and Drug Free Schools and Communities Act and the Drug Free Workplace Act. These standards prohibit the unlawful manufacture, possession, use, sale, distribution, or concealment of illegal drugs and alcohol in school programs, school vehicles, school premises, and at school sponsored activities on and off school property. Drugs include all controlled substances as defined by law, as well as "look-alike" drugs, steroids, and alcohol. These standards apply to all Van Buren Intermediate School District students. We urge students, parents, guardians, and care providers to work hand-in-hand with our district to ensure that these important standards are upheld.

**NOTIFICATION OF DIRECTORY INFORMATION**  
The educational interests of the student require the collection, retention, and use of information about individual students and groups of students. At the same time, the student's right of privacy mandates careful custodianship and limitations on access to student records. Only "directory information" regarding a student shall be released to any person or party, other than the student or his/her parent, without the written consent of the parent; or, if the student is an eligible student, the written consent of the student, except those persons or parties stipulated by the Board's policy and administrative guidelines and/or those in the law. In compliance with Federal regulation, Van Buren Intermediate School District has established the following guidelines concerning student records.  
• Director of Finance and Operations is the Records Control Officer for the District and is responsible for the processing and maintenance of all student records. The office is located at the Van Buren Conference Center, 490 S. Paw Paw Street, Lawrence, MI 49064 (269) 674-8091.  
• Each student's records will be kept in a confidential

file located at the respective building location. The information in a student's record file will be available for review only by the parents or legal guardian of a student, an adult student (18 years of age or older), and those designated by Federal Law or District regulations.

- If not satisfied with the accuracy of the records or the District's compliance with the Federal Education Rights and Privacy Act, a parent, guardian, or adult student has the right to request a change or addition to a student's records, and to:
  - Obtain a hearing with District Officials, or
  - File a complaint with the U.S. Office of Education

- Family Policy Compliance Office  
US Department of Education  
400 Maryland Ave, SW  
Washington, DC 20202-5920
- 4) The District has established the following information about each student as directory information and will make it available upon a legitimated request unless a parent, guardian, or adult student notifies the Records Control Office in writing within 10 business days from the date of this notification that they will not permit distribution of any or all information:
  - Student's name
  - Address
  - Date of graduation
  - School photographs or videos of students participating in school activities, events or programs.

• A copy of the Board of Education's policy 8330 and the accompanying District regulations are available at the District's website [www.vbsid.org](http://www.vbsid.org). There will also be a person available to answer any questions concerning the policy or regulations.

**Notification to Public Regarding Inspection of Instructional Materials**  
Members of the public have the right to inspect instructional materials, including but not limited to print and non-print materials, teacher's manuals, films, tapes and any other supplementary materials, used as part of the educational curriculum by Van Buren Intermediate School District programs. The Director of Special Education and Director of Van Buren Tech are responsible for coordinating inspections of instructional materials at Van Buren Intermediate School District, located at 490 S. Paw Paw Street, Lawrence, Michigan. They can be reached by calling (269) 674-8091.

**PESTICIDE CONTROL ACT - PA 451**  
The Van Buren Intermediate School District has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem.

You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at the primary entrances to your child's school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least three days before the application. If you would like to be notified by mail please contact David Johnson, Maintenance Supervisor at (269) 539-5233. Please give your name, mailing address and what school your child attends. In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application. You may review our IPM program or pesticide application records for your child's school by contacting David Johnson at (269) 539-5233 or email [djohnson@vbsid.org](mailto:djohnson@vbsid.org). This number or e-mail may also be used when school is not in regular session.

**SAFE AND DRUG FREE SCHOOLS AND COMMUNITIES ACT**  
Van Buren Intermediate School District recognizes and abides by the standards of the Safe and Drug Free Schools and Communities Act and the Drug Free Workplace Act. These standards prohibit the unlawful manufacture, possession, use, sale, distribution, or concealment of illegal drugs and alcohol in school programs, school vehicles, school premises, and at school sponsored activities on and off school property. Drugs include all controlled substances as defined by law, as well as "look-alike" drugs, steroids, and alcohol. These standards apply to all Van Buren Intermediate School District students. We urge students, parents, guardians, and care providers to work hand-in-hand with our district to ensure that these important standards are upheld.

## 100 Years Ago This Month: Historical events from August 1924

The month of August has been home to many historical events over the years. Here's a look at some that helped to shape the world in August 1924.

- Three people are killed and 10 others are injured when a boiler fire erupts on the French battleship Courbet on August 1. The Courbet survives the fire and is eventually utilized during World War II.

- Boca Raton, Florida, is incorporated as "Bocaraton" on August 2. The name is changed to "Boca Raton" less than a year later.

- John Carroll O'Connor is born on August 2 in Manhattan. O'Connor would become one of the most memorable television actors of all time, notably portraying "Archie Bunker" in the sitcoms "All in the Family" and "Archie Bunker's Place" in the 1970s and early 1980s.

- Berlin Jews hold a memorial service for Jewish soldiers who died during World War I on August 3. The Jewish service takes place after a Jewish preacher was forbidden from delivering a prayer during a similar service held outside the Reichstag commemorating German soldiers who died during the war.

- Women from six European nations compete in the first Women's International and British Games in London on August 4. The competition is held because track and field events at the Summer Olympics were limited to men only.

- Confidence man Charles Ponzi is released from prison in Plymouth, Massachusetts on

August 6. Ponzi served less than four years of a five-year sentence for financial crimes.

- Grand Duke Kiril Vladimirovich of Russia, a first cousin of the late Tsar Nicholas II, declares himself "Guardian of the Throne" for the Russian Empire on August 8. Two years later, the Grand Duke would declare himself the emperor-in-exile.

- On August 10, Austrian police claim they discovered a Soviet slush fund for stirring up unrest and revolt in the Balkans.

- The earliest sound film footage of an American president is recorded on August 11 when Lee de Forest films U.S. President Calvin Coolidge on the White House lawn. De Forest uses his experimental Phonofilm process to make the recording.

- Andrew S. Anderson, the Democratic Party nominee for South Dakota Governor, is gored by a bull on his property on August 11. Anderson does not survive the attack.

- Former world middleweight title holder Kid McCoy shoots his lover, Teresa Mors, on August 12 in Los Angeles. McCoy, retired from boxing at the time of the shooting, shot Mors in a drunken rage after she told him what her friends thought of him.

- Anthropologist Margaret Mead arrives in Samoa on August 17. Mead proceeds to begin working on her book, Coming of Age in Samoa: A Psychological Study of Primitive Youth for Western Civilisation, which became a landmark text and sparked years of ongoing, intense debate upon its publication in 1928.

- Canadian mountaineers complete the first ascent of the 2,603-meters-tall Mount Fitzsimmons in British Columbia on August 19.

- United States Senator Nathaniel B. Dial and John J. McMahan, his challenger for the Democratic Party nomination in an upcoming election, are each arrested for disorderly conduct in South Carolina on August 20. Dial approached McMahan brandishing a chair during a campaign meeting that became contentious.

- On August 23, the planets Mars and Earth are the closest they had been since August 18, 1945. The two planets, which were the equivalent of around 34.6 million miles from one another, would not be as close again until August 2003.

- On August 26, The Montreal Star publishes an interview with American automotive executive Henry Ford in which the industrialist claims the Ku Klux Klan was a patriotic organization and "a victim of lying propaganda."

- Director John Ford's first major film, "The Iron Horse," premieres in New York City on August 28. TF248179

## SHERIFF'S CORNER

**VAN BUREN COUNTY SHERIFF DANIEL E. ABBOTT**

Uniform Response was Dispatched to a Domestic Violence Complaint in Geneva Township. The victim was transported to the ER to get treatment for her injuries. Deputies arrested the suspect/boyfriend for Aggravated Domestic Assault 3rd Offense and Arson \$200-\$1,000. The suspect burned numerous belongings of the victim/girlfriend.

Uniform Response was Dispatched to a Road Rage Incident in Antwerp Township. It was found that the victim was followed by the suspect into a residence. The suspect accused the victim of swerving into their lane. The suspect confronted the victim, hit their mirror, then left. Deputies continue to search for the suspect.

Canine Kuno was recently retired and will enjoy his retirement with his Handler Deputy Calhoun. We put his replacement in service after the 6-week training school with the handler and canine. Quillen on his very first day with Deputy Calhoun recovered drugs hid in an engine compartment. Quillen was named after Fallen Paw Paw Fire Fighter Lt Ethan M. Quillen in his honor.

Uniform Response was Dispatched to an AFC Home in Alma Township for a Resident that walked away and didn't return. The resident was later located, was found safe, and returned home.

Our Office will be participating in National Night Out on August 6th. The event starts at 5pm in the South Haven City Huron Street Parking Lot. Several Fire, EMS, and Law Enforcement Agencies will be present along with other people supporting the event.

Uniform Response handled a Car vs. Motorcycle Injury Crash in Keeler Township. It was found that the driver at fault pulled out into the travel lane causing the motorcyclist to hit the vehicle. The accident remains under investigation.

Our Office sent 3 Deputies to the National Association of School Resource Officers (NASRO) training in Phoenix Arizona. The training provides the highest quality of training to school-based law enforcement and SRO supervisors to promote safer schools and safer children. The trainers are a prestigious group of experts in the field of school safety and security. The training is also designed to network and build relationships with other SRO's around the United States.

Uniform Response was Dispatched to a Two Vehicle Crash in Arlington Township with Serious Injuries. It was found that the at fault driver was attempting to pass several vehicles at a high rate of speed. Deputies did recover Cocaine in the vehicle at fault. Once the report and investigation are completed, it'll be sent to the Prosecutor's Office for review on charges.

Uniform Response took a UDAА which involved a Trailer being taken as well in Waverly Township. The vehicle was recovered in Indiana and the suspect confessed to stealing it and the trailer. It'll be sent to the Prosecutor for Charges/Arrest Warrant.
