## What to know about seasonal affective disorder (SAD)

There's much to look forward to when winter begins. Outdoor enthusiasts may relish a return to the slopes to ski or snowboard each winter, while others praise the crisp fresh air and lack of insects as more conducive to activities like hiking.

Winter indeed has plenty to offer, but some people find that less daylight has an adverse effect on their mood. The National Institutes of Mental Health notes that shifts in mood and behavior that align with changes in the seasons could be indicative of seasonal affective disorder, also known as SAD.

### What is SAD?

Johns Hopkins Medicine characterizes SAD as a form of depression in which individuals' mood and behavior changes when the seasons change. The NIMH notes SAD is sometimes referred to as the "winter blues."

### Is SAD exclusive to winter?

Though SAD can affect people at any time of year, the NIMH reports that most cases of SAD start to affect people in late fall or early winter before symptoms begin to subside during the spring and summer. Johns Hopkins Medicine notes researchers believe the shorter days and thus fewer hours of daylight that occur each winter set off a chemical change in the brain that leads to a person experiencing symptoms of depression.

### What are the symptoms of SAD?

The NIMH points out that, since SAD is a type of depression, symptoms of the condition include those associated with depression. Such symptoms include:

- A persistent sad, anxious or "empty" mood most of the day. This occurs every day for at least two weeks.
- Feelings of hopelessness or pessimism
- Feelings of irritability, frustration or restlessness
- Feelings of guilt, worthlessness or helplessness
- Loss of interest or pleasure in hobbies and activities
- Loss of energy or feelings of fatigue. Some also feel as if they have slowed down.
- Difficulty concentrating, remembering or making decisions
- Changes in sleep or appetite or unplanned weight changes
- Physical aches or pains, headaches, cramps, or digestive problems that have no explanation and do not

subside even after treatment

- Suicidal thoughts or attempts or thoughts about death

It's important to note that the above are symptoms of depression that people with SAD may experience. Additional symptoms of winter-pattern SAD include:

- Hypersomnia, or oversleeping
- Overeating that leads to weight gain. The NIMH notes people with SAD may have a particular craving for carbohydrates.
- Social withdrawal

### How is SAD treated?

People who suspect they have SAD are urged to speak with their physicians. Various treatments, including light therapy, psychotherapy or antidepressant medications, can help to treat SAD. Individuals may also be prescribed vitamin D supplements.

### Can I prevent SAD?

The NIMH notes that since SAD is tied to seasonal changes, people can take steps in an effort to prevent it. Starting treatments prior to a change in seasons may help.

Many people experience difficulty when fall transitions to winter, and such troubles may be attributable to SAD. More information about SAD is available at [www.nimh.nih.gov](http://www.nimh.nih.gov). TF251578

The month of January has been home to many historical events over the years. Here's a look at some that helped to shape the world in January 1925.

- Christiania, the capital city of Norway, is renamed "Oslo" on January 1.
- Violence plagues Italy on January 2 as part of the fallout of Benito Mussolini's crackdown on opposition newspapers. Though King Victor Emmanuel III refuses to grant Mussolini the dictatorial powers the latter requested, he grants the Prime Minister tacit permission to respond to the violence how he sees fit.
- Nellie Tayloe Ross is inaugurated as the Governor of Wyoming on January 5, becoming the first woman elected to a gubernatorial office in United States history.
- Bhanupratap Deo is proclaimed as the new Raja of the princely state of Kanker within British India on January 8. The 3-year-old would rule until 1947, when the princely states are abolished as India gains its independence.
- The British submarine HMS L24 sinks in the English channel on January 10. The submarine had collided with the Royal Navy battleship HMS Resolution, killing all 43 men aboard the L24.
- Al Capone survives an assassination attempt made by the North Side Gang on January 12 in Chicago. Capone was conducting business inside a State Street restaurant when the rival gang riddled his car with bullets, prompting the mobster to order a bulletproof Cadillac.
- Joseph Stalin fires Leon Trotsky as Commissar for Military and Navy Affairs on January 15. A prominent critic of Stalin, Trotsky is eventually murdered at his home in Mexico City by a Stalinist agent in 1940.
- Huddie Ledbetter, better known as "Lead Belly," is granted a full pardon by Texas governor Pat Morris Neff on January 16. The blues musician had served seven years of his prison sentence after being found guilty of killing a relative over a fight for a woman.

- "The Gentleman Bandit" Gerald Chapman is arrested in Muncie, Indiana on January 18. Chapman is apprehended thanks in part to informant Ben Hance, who is murdered in August in a killing that is believed to have been performed as retaliation for Chapman's incarceration.
- Roy Olmstead, a lieutenant in the Seattle Police Department, is indicted by a federal grand jury on January 19. Olmstead is accused of smuggling alcohol into the country from Canada in violation of the Volstead Act.
- Curtis Welch, the only doctor in Nome, Alaska, sends an urgent message via radio telegram on January 22. The message alerts all major Alaskan towns of an impending outbreak of diphtheria, while a second message sent to the U.S. Public Health Service in Washington, D.C. highlights the desperate need for antitoxin. Roughly 300,000 units of antitoxin are discovered in Anchorage on January 26, temporarily containing the epidemic.
- Paul Newman is born in Shaker Heights, Ohio, on January 26. The son of Theresa Garth and sporting goods store owner Arthur Sigmund Newman, Sr., the younger Newman would grow up to become one of the world's most recognizable movie stars and a devoted philanthropist.
- A riot breaks out in Berlin on January 27. Numerous injuries are reported as monarchists, communists and republicans clash during demonstrations held on the birthday of ex-kaiser Wilhelm II.
- On January 28, nominee to the U.S. Supreme Court Harlan Fiske Stone testifies before the U.S. Senate Judiciary Committee. Stone is eventually confirmed by a vote of 71 to 6.
- After nearly a year of fighting and 14,000 deaths, the Khost rebellion against King Amanullah Khan is ended in Afghanistan on January 30. The rebellion is ultimately unsuccessful, but many of the king's reforms are delayed until 1928. TF251552

## Brunch begins the New Year right

The first official meal of 2025 should be memorable and flavorful. Chances are late night New Year's Eve revelry will make breakfast a nonstarter, but a New Year's Day brunch can hit the spot on January 1. When family members or guests rouse from their post-countdown slumbers, these brunch ideas and tips can kick off the new year with flavor.

### Skip the mimosas

While it may be tempting to employ a little "hair of the dog" therapy to combat the ramifications of overindulgence from the evening prior, it is a better bet to skip any extra alcohol come the morning. Rather, serve plenty of hydrating refreshments, with water at the top of the list. For those who desire something with a little more zip, create a mocktail with fruit juice and sparkling water.

### Make-ahead meals

Serving foods that can be made in advance cuts back on the amount of work that needs to be done in the late morning of New Year's Day. Breakfast casseroles can be the way to go, as they pair many ingredients together and can be reheated. Fruit salads as well as homemade granola parfaits can be made in advance and then served during the brunch.

### Consider bagels and breads

A platter of bagels, croissants and cinnamon rolls are easy to serve and might be a welcome way to fill the stomach. Paired with lox, cheeses and cold cuts, these carbohydrates can help complete the meal.

### Sheet-pan options are easy

Brunch hosts and hostesses who choose to whip up foods during the brunch itself can employ some tactics to make the work easier. Crack eggs onto cheese-coated slices of thick bread and put under the broiler for perfectly cooked batch results.

### Don't forget the sweets

Muffins and sweet rolls can blur the lines between meal and dessert; otherwise, serve alternative make-ahead desserts that are relatively easy, such as pound cakes or cookies.

### Set up the coffee bar

Chances are a little caffeine might be necessary to jump-start the day. Make coffee, tea, hot chocolate, and other warm beverages readily available with the accompanying creamers and flavorings so that brunch guests can customize their drinks.

New Year's Day brunch kicks off the new year with food, family and friends. TF251568

### Van Buren County Gets Scrappy

The Van Buren Conservation District (VBCD) is proud to serve our community! With Van Buren County's Resource Recovery Program, we bring you services today and prepare for tomorrow. Celebrate with us in our highlights from 2024.

#### 2024 Resource Recovery Success Story

The VBCD Resource Recovery Program continues providing and expanding services. We continued our one-day collection events and even piloted year-round tire drop-off sites. We are working for a better future. With Southwest Michigan partners, we are working to improve waste and material management. Recycling Coordinator Kalli Marshall worked with partners to upgrade transfer stations with \$650,000 in grants. The funds expanded services like recycling and improved transfer station infrastructure. Now, more folks have access to more services! Through presentations, we are keeping our community up-to-date on conserving resources and protecting our health and environment.

This year, our community saved many resources and protected our land and water from hazardous waste:

- 23,255 pounds of household hazardous waste (HHW) safely disposed
- 5,980 pounds of oil-based paint safely disposed
- 10,050 pounds of confidential paper shredded and recycled
- 95,022 pounds of electronics recycled
- 14,824 tires recycled
- ~1,200 pounds of batteries recycled
- 765 pounds of foam (Styrofoam™/polystyrene) recycled
- 42,060 pounds of mixed paper and 43,760 pounds of cardboard recycled
- 500+ agriculture pesticide containers safely disposed and recycled

Thank you to the Sheriff's Department, our local municipalities, County, volunteers, collections hosts, and various grants for supporting the program and making it possible!

#### Future Collections

Keep an eye out for the 2025 collection schedule! Stay up-to-date by signing up for our e-newsletter at VanBurenCD.org or by checking our website and social media.

#### Battery Recycling

We work to keep toxic waste out of our land and water through battery recycling. Recycle your lithium-ion batteries at our battery recycling stations! Find a station at our office or any one of our partners. Call for the location nearest to you.

#### Year-round Electronics Recycling

Recycle your electronics year-round with us and our partners at no direct cost. Drop-off locations are at the Community Thrift Shop in Paw Paw (1000 E. Michigan Ave.) or the Van Buren County Senior Services Center in South Haven (8337 M- 140 Hwy). Check out the list of the accepted items on our website.

#### Year-round Tire Recycling

We are working to make services more accessible for you. New in 2024, we piloted tire drop-off services. At 3 locations across the county during the warmer months (May through the end of October). Tire drop-off is available at the following transfer stations: Covert, Columbia, and Decatur. This service is open to all Van Buren County residents and landowners at any location.

#### Questions?

### SHERIFF'S CORNER

VAN BUREN COUNTY SHERIFF DANIEL E. ABBOTT

Uniform Response took a Larceny Complaint in Bangor Township. Someone stole 2 30lb propane tanks and a battery from an abandoned property sight. Anyone with any information is asked to call our office.

Uniform Response took a Single Motor Vehicle Crash in Bloomingdale Township. After the investigation was done, the driver was arrested for OUID (operating under the influence of drugs).

Uniform Response took a Domestic Violence Call in Bloomingdale Township. The suspect was not cooperative with Deputies and fought with them during the investigation. A physical altercation took place between the suspect and Deputies while he was being placed into custody in which a taser and oc spray had to be used. He now faces additional charges.

Detectives from Our Office Assisted MSP on a Homicide in Hartford Township. The suspect was not from our county. The suspect was located in Indiana the same day and placed in custody for the incident.

Corrections Deputies all had Subject Control Training this past week at Our Office. It is given to them yearly. In the class, they go over everything from tactical maneuvers to legal standards, updated case law, etc.

Uniform Response had Two Pursuits in the Bloomingdale/Gobles Area Back-to-Back. Through the investigation, it's believed that the same 38-year-old male from Kalamazoo was driving both stolen vehicles. Deputies got into a pursuit with a stolen vehicle which the driver went off road and bailed out. While the search was going on, Deputies saw a vehicle in the area pull out and take off. That vehicle was confirmed stolen. Deputies were able to use stop sticks and put the driver into custody.

A Citizen in the Bangor Area was Flying an RC Airplane by the Bangor High School this Summer when he Lost Connection and the Plane Flew Off. It is yellow and blue with the numbers and letters N126C on it. If anyone locates the little plane, we'd ask that you call our office so the owner can be contacted to retrieve it. It is unknown how far it flew prior to going down as there was no GPS on it.

Our Narcotic Unit Arrested a Paw Paw Man Stemming from a Meth Investigation. It was found after the arrest that he had stolen all the Christmas gifts that our office bought for his 4 young grandchildren during Shop with the Sheriff and traded/sold them for meth. We were blessed enough to provide the family with all the gifts about a week prior. The grandfather would not cooperate with our office to get the grandchildren's gifts back. Our office, Paw Paw Schools, and misc others gathered up money and gift cards to make their Christmas whole again. We took them out on a shopping spree and made it a Christmas they won't forget. I personally cannot thank everyone enough for what they did to help make this happen. Thank you again.

### Holiday Greetings

These little doves have flown in today to wish you a fine-feathered holiday, where good times, good friends and joy abound, and there's plenty of peace to go around!
