ATTENTION REMINDER READERS

We want you to be aware of an MLive publication which is being delivered in our area in green plastic bags. Unfortunately, these bags are used by the Reminder as well and has been causing confusion.

We have received several complaints about newspapers being dropped on the ground. In our attempt to alleviate the problem at the site, we then realized it's the MLive paper. Please be patient as we will be changing the color of our delivery bags to avoid any further confusion.

Help Us #SlamTheScam on government imposters.

Learn how to spot scams, identify red flags, and report suspicious activity.

1. Four Basic Signs of a Scam

Recognizing the signs of a scam gives you the power to ignore criminals and report the scam. Scams come in many varieties, but they all work the same way:

1. Scammers **pretend** to be from an agency or organization you know to gain your trust.
2. Scammers say there is a **problem** or a prize.
3. Scammers **pressure** you to act immediately.
4. Scammers tell you to **pay** in a specific way.

2. Known Tactics Scammers Use

Scammers frequently change their approach with new tactics and messages to trick people. We encourage you to stay up to date on the latest news and advisories by following SSA OIG on LinkedIn, Twitter, and Facebook or subscribing to receive email alerts.

These are red flags; you can trust that Social Security will **never**

- **Threaten** you with arrest or legal action because you don't agree to pay money immediately.
- **Suspend** your Social Security number.
- Claim to need **personal information or payment** to activate a cost-of-living adjustment (COLA) or other benefit increase.
- **Pressure** you to take immediate action, including sharing personal information.
- Ask you to **pay with** gift cards, prepaid debit cards, wire transfers, cryptocurrency, or by mailing cash.
- **Threaten** to seize your bank account.
- Offer to **move your money** to a "protected" bank account.
- **Demand** secrecy. Be skeptical and look for red flags. If you receive a suspicious call, text message, email, letter, or message on social media, the caller or sender may not be who they say they are. Scammers have also been known to:
 - Use legitimate names of Office of Inspector General or Social Security Administration employees.
 - "Spoof" official government phone numbers, or even numbers for local police departments.
 - Send official-looking documents by U.S. mail or attachments through email, text, or social media message.

It is illegal to reproduce federal employee credentials and federal law enforcement badges. Federal law enforcement will never send photographs of credentials or badges to demand any kind of payment, and neither will federal government employees.

Report the scam.

3. How to Avoid a Scam

Protect yourself, friends, and family — If you receive a suspicious call, text, email, social media message, or letter from someone claiming to be from Social Security:

1. **Remain calm.** If you receive a communication that causes a strong emotional response, take a deep breath. Talk to someone you trust.
2. **Hang up or ignore the message.** Do not click on links or attachments.
3. **Protect your money.** Scammers will insist that you pay with a gift card, prepaid debit card, cryptocurrency, wire transfer, money transfer, or by mailing cash. Scammers use these forms of payment because they are hard to trace.
4. **Protect your personal information.** Be cautious of any contact claiming to be from a government agency or law enforcement telling you about a problem you don't recognize, even if the caller has some of your personal information.
5. **Spread the word** to protect your community from scammers.
6. **Report the scam** to the Office of the Inspector General at oig.ssa.gov/report.

4. How to Report

When you report a scam, you are providing us with powerful data that we use to inform others, identify trends, refine strategies, and take legal action against the criminals behind these scam activities.

What to Do

If you receive a suspicious call:

- ✓ **HANG UP!**
- ✓ **DO NOT GIVE THEM MONEY OR PERSONAL INFORMATION!**
- ✓ **REPORT THE SCAM AT OIG.SSA.GOV**

Phone Scam Awareness

Social Security Phone Scammers May:

- Threaten arrest or legal action against you unless you pay a fine.
- Promise to increase your benefits or resolve identity theft if you pay a fee.
- Demand payment with retail gift cards, wire transfers, internet currency, or by mailing cash.
- Try to convince you by using spoofed caller ID numbers or officials' real names, or by emailing fake documents.

DO NOT BELIEVE THEM!

If you owe money to Social Security, the agency will mail you a letter with payment options and appeal rights. Social Security does not suspend Social Security numbers or demand secrecy from you, ever.

Help us #SlamTheScam and stop government imposters in their tracks.

Protect yourself from fraud and know what to do if your Social Security information is compromised.

Hang up or ignore suspicious calls or messages. Government employees will NEVER threaten you or demand immediate payment.
